

September 6

You've got me
You've got me
You've stopped me
Beat the clock
Beat the cock
Padam Alladin
Todd Tod
Dead Nein!
Is no music no sound?
Do air conditioners have pitch?
Once yes but not now
Bob Barker Bob Crane
Such a pallindromic old name
Now I hear the silence
I love to see the science
Now silence is gone
A baby is screaming
Call taxi
Small taxi
You ready?
You get in the back seat
We're stacklers
We're stacklers
Put the lid back on the top
Put the roof back on the house
The Statlers! The Statlers!
Put the house back on the roof
Boy boots
Give me boots
Two fignicks go back
Please go back
Unst Unst Kunst!
When you're in trouble
Send in the choir
