

## February 18

The gangster's widow  
Is really a cop  
The male cop  
Still doesn't get it  
Could be a hit  
Could be a miss  
My helpers have expired  
Otto has been fired  
Pastor pasteur  
Fluoridate fluctuate  
Whirl a gig  
Cig a whirl  
Todd Vegas  
In between Royal York  
And hair of the dog  
Language is a carrier  
That's why it's so much fun  
Language is a barrier  
That's why it's so much fun  
Hula Hola  
Leaping Lola  
Damn that Penetang  
Can we undo The Fandango  
Are you on the bus or not  
All mystics understand rhythm  
You're going to be queen on your beam  
The gangster's widow  
Is actually a cop  
My medication has expired  
While Otto is on fire.
